

347—72.8(89A) Hand and power dumbwaiters. The provisions contained in American National Standard Safety Code for Elevators, Dumbwaiters, Escalators and Moving Walks, ANSI A17.1, part VII, sections 700-709, are adopted by reference. When ANSI C1 (NFPA 70) is used in part VII it shall be changed to the ANSI C1 (NFPA 70) required by rule 347—72.1(89A).
